The Company appoints the Advisor as **Director – Business Development & Transformation** of Health Plus International on the terms set out in this Agreement. This is a functional operational title only and does not constitute appointment to any statutory directorship of Westminster Green Solutions Pty Ltd or any related entity.

4.2 No Statutory Directorship

For the avoidance of doubt, the Advisor is not and shall not be deemed to be a director, shadow director, or de facto director of Westminster Green Solutions Pty Ltd within the meaning of s.9 of the Corporations Act 2001 (Cth). The Advisor has no authority to bind the Company, execute documents on behalf of the Company, or make decisions that are within the exclusive authority of the Company's registered director.

4.3 Nature of Engagement

The Advisor is engaged as an independent contractor. Nothing in this Agreement creates a relationship of employment, partnership, joint venture, or agency between the parties. The Advisor is responsible for all applicable tax obligations in respect of amounts received under this Agreement.

4.4 Primary Responsibilities

The Advisor shall use reasonable endeavours to: (a) identify and develop relationships with local health districts, aged care providers, and community health organisations; (b) support the Company in securing placement contracts with healthcare clients; (c) assist in developing the strategic direction of the HPI Business; and (d) provide business development, networking, and transformation advisory services as reasonably requested by the Company.

4.5 Exclusivity

This Agreement does not prevent the Advisor from engaging in other business activities, provided those activities do not create a conflict of interest with the HPI Business and do not constitute a breach of Clause 8 (Anti-Migration).

5. PROFIT SHARING AND REMUNERATION

5A Active Engagement Profit Share

During the period the Advisor is actively engaged under this Agreement and prior to the issue of a Retirement Notice, the Advisor shall be entitled to receive fifty percent (50%) of the Net Profit of the HPI Business for each Financial Year, calculated and paid in accordance with Clause 6.

5B Remuneration Review — Director Salaries

No Director Salary shall be payable to either Abhay J Kumar or Reji Varghese prior to the Placement Milestone being achieved.

Within thirty (30) days of the Placement Milestone being achieved, the parties shall enter into good-faith negotiations regarding the establishment of Director Salaries for both Abhay J Kumar and Reji Varghese. Any Director Salary agreed under this clause must be: (a) recorded in a written variation signed by both parties; (b) within the Director Salary Cap as defined in Clause 7 (Reserved Matters); and (c) commensurate with the financial capacity of the HPI Business at the time of agreement. Neither party is obligated to agree to any particular salary level, but both parties are obligated to participate in the review process in good faith.

NOTE

Director Salaries, once agreed, are treated as a deductible expense in calculating Net Profit for the purposes of the Passive Royalty under Clause 5C. Both parties should obtain independent financial and tax advice before agreeing salary levels.

5C Passive Royalty

Upon the Advisor issuing a Retirement Notice, the Advisor's active profit share under Clause 5A shall cease and the following Passive Royalty shall apply:

5E Sale Event

In the event of a Sale Event (as defined in Clause 7 — Reserved Matters) occurring during the Royalty Term, the purchaser or successor shall be bound by the Passive Royalty obligations for the remainder of the Royalty Term as a condition of any such transaction. The Company must procure that any sale documentation includes an express assumption of these obligations by the purchaser.

6. FINANCIAL REPORTING AND PAYMENT

6.1 Annual Accounts

The Company shall prepare or procure the preparation of annual financial statements for the HPI Business within ninety (90) days of the end of each Financial Year. These statements shall be prepared in accordance with Australian Accounting Standards and shall clearly separate HPI Business revenue and costs from all other Westminster Green Solutions trading activities.

6.2 Monthly Reporting

The Company shall provide the Advisor with monthly management accounts for the HPI Business within twenty (20) business days of the end of each calendar month. Monthly accounts are informational only and do not create an obligation to make interim payments.

6.3 Payment of Annual Profit Share

Annual profit share or Passive Royalty shall be calculated on the final annual accounts and paid within ninety (90) days of the end of each Financial Year.

6.4 Dispute Resolution — Accounts

If the Advisor disputes the Net Profit calculation, the Advisor must give written notice within thirty (30) days of receiving the annual accounts. 8. ANTI-MIGRATION AND COMPETITION

8A Anti-Migration

During the term of active engagement and for a period of two (2) years following termination of active engagement (but not during the Passive Royalty period), the Advisor shall not, either directly or indirectly, establish, operate, or materially assist any competing healthcare employer-of-record or workforce placement business where the sole or primary purpose of such activity is to compete with the HPI Business for the same client segment (regional and remote NSW healthcare placements). This clause shall not prevent the Advisor from engaging in unrelated business activities.

8B WGS Pre-Existing Interests Carve-Out

Nothing in this Agreement restricts Westminster Green Solutions Pty Ltd from continuing, expanding, or diversifying its WGS Pre-Existing Interests. The Advisor acknowledges that Westminster Green Solutions Pty Ltd has operated diverse commercial businesses for approximately twelve (12) years prior to the Commencement Date and that HPI is one of multiple commercial interests of Westminster Green Solutions Pty Ltd. The Advisor has no claim over, interest in, or entitlement to any revenue or profit from WGS Pre-Existing Interests.

9. TERMINATION OF ACTIVE ENGAGEMENT

9.1 By the Advisor

The Advisor may terminate active engagement at any time by issuing a Retirement Notice in writing to the Company. Upon issue of the Retirement Notice, the Advisor's active profit share ceases and Clause 5C (Passive Royalty) applies for the Royalty Term of 18 years.

9.2 By the Company — For Cause

The Company may terminate this Agreement with immediate effect by written notice if the Advisor: (a) commits a material breach and fails to remedy it within twenty-one (21) days of written notice; (b) engages in conduct bringing the Company or HPI Business into serious disrepute; or (c) is convicted of a criminal offence. Termination for cause extinguishes all future entitlements including the Passive Royalty.

9.3 By the Company — Without Cause

The Company may terminate active engagement without cause by giving sixty (60) days written notice. Termination without cause does not extinguish the Advisor's entitlement to the Passive Royalty for the Royalty Term, calculated from the date of termination (treated as the Retirement Notice date).

This Agreement may be varied or terminated at any time by written agreement signed by both parties.
